Good evening everyone - Happy Friday! This is just a friendly reminder email to please book your conferences with your child's teacher. There are still spots open. You can either book online <http://www.stavelyschool.ca/view.php?action=signin> or you can call 403-549-3757 and we'll get you set up. Report cards will be sent home on Monday in the family envelope.

Grade 6 Parents - The transition meeting is **March 13th @ 6 p.m. in the Learning Commons**. You are welcome to bring your child with you as well. If you could please let me know if you are able to attend, that would be great (we are ordering supper for you so I just need approximate numbers). I recommend that you make a list of questions you may have as well and Brenda and I will be happy to answer them and if we don't have the answers, we'll find them.

March 28th @ 7 p.m. - All parents are welcome to join Kathy Charchun at Stavely School to learn about math. She will take time to go through new instructional methods with you allowing you to have a stronger understanding of not only what your child is learning in mathematics but also how to solve problems using different strategies. **If you are planning on attending, can you please email Twyla at cyrt@lrsd.ab.ca.**

Passion Projects are beginning this week. Thank you in advance to our community volunteers. We could not run Passion Projects without you!!

Have a wonderful weekend!

Sincerely,

Leanne Watson
