Dear Principal Leanne Watson and Stavelly School Council,

As your MLA for the Livingstone-Macleod Constituency, it with great pleasure to take this opportunity to congratulate all 13 members on the Stavelly School Council in receiving the School Council Award of Merit presented to you by the Alberta School Council Association. Each member on school council plays a very important role in contributing to student learning, school improvements and providing your students with unique and exciting opportunities both inside and outside the school.

Your council members have demonstrated great support to the school in providing hot lunches, coordinating fund raisers and community engagement to name just a few. Congratulations once again for your time and commitment, your school and community involvement and creative ideas in contributing to the success of Stavelly Elementary School! Take good care, stay safe and keep well.

Kind Regards,

Roger Reid, MLA
