

A Vision for Stavely School

Educating the
Whole Child

Where are we headed right now?

This??

Or this??

Where do we want to go?

What do I want?

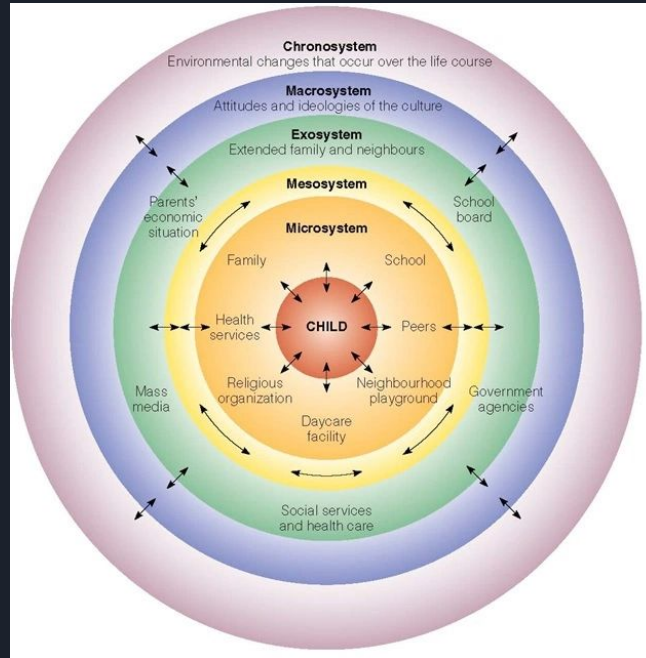

Welcome to the 4th Industrial Revolution

“It is characterized by a fusion of technologies that is blurring the lines between the physical, digital, and biological spheres.” ([The Fourth Industrial Revolution: What it Means, How to Respond](#))

Bronfenbrenner: “The ecological environment is conceived topologically as a nested arrangement of structures, each contained within the next.” (p. 514, Bronfenbrenner, 1977).
